

## SAP RETAIL CONSULTANT BOOTCAMP USA

### ABOUT THIS JOB

Beyond Technologies is a professional service firm, specialized in SAP (Gold Partner) solution integration and business process optimization. We are a young dynamic team working with the biggest names in the fashion industry. We are quickly expanding globally and looking for people who have an entrepreneurial mind-set, have a passion to learn new technologies, and who want to travel and work with new clients. This is an exciting opportunity with huge growth potential.

### YOUR NEW ROLE

- ✚ SAP Retail Consultant Trainee
- ✚ Entry level position with specialized world class training in SAP Retail
- ✚ Opportunity to work with signature retailers and SAP experts
- ✚ 3 months intense training
- ✚ Create a lifelong in-demand career with SAP

### YOUR NEW TECHNOLOGY

- ✚ SAP Retail ERP (Enterprise Resource Planning)
- ✚ ERP manages a wide variety of business units and activities through a centralized integrated software solution
- ✚ Business units: supply chain, procurement, inventory, finance, product lifecycle, promotions, merchandising, loyalty, point-of-sales, omni-channel commerce, and much more
- ✚ Learn to analyze, design, customize and configure all components in SAP Retail ERP

### WHAT YOU WILL NEED TO SUCCEED

- ✚ Good communicator and a diplomat
- ✚ Passion for process optimization using the latest technology
- ✚ Passion for Retail (more than just shopping!)
- ✚ Love to travel to new cities and work with new clients
- ✚ Team player
- ✚ Flexible, resourceful and result oriented

## WHAT YOU WILL GET IN RETURN

- ✚ Great corporate culture
- ✚ Mac friendly environment
- ✚ Unforgettable company parties
- ✚ Competitive salary and performance bonus
- ✚ Paid vacation time between Christmas and New Years

## WHAT YOU NEED TO DO NOW

- ✚ Stay seated
- ✚ Remain calm
- ✚ Apply to this job

## ABOUT BEYOND TECHNOLOGIES

Beyond Technologies is a professional service firm, specialized in SAP solution integration and business process optimization. We have extensive expertise across a wide range of industries. Founded by a team of consultants with over 20 years of integrated business management system experience, we know how to leverage business best practices and SAP solutions to deliver real and sustainable benefits to our clients. We offer intelligent, practical and innovative solutions that give our clients a competitive edge, in a timely and cost-effective manner.

Our experienced team acts as a natural extension of our clients' operations team, dedicated to helping them get the most out of their SAP applications. Our combination of pragmatism, knowledgeable resources, and collaborative business approach makes us a long-term partner for all our clients. As trusted advisors, we help our clients implement and use SAP solutions that work quietly and brilliantly in the background, freeing them up to focus on their core expertise.

Beyond Technologies has a great relationship with SAP. We collaborate on various customer engagements and we are proud to have received several accreditations and recognition from SAP: <https://www.beyondtechnologies.com/what-we-do/#our-certifications>

We have received several awards for our competences, accomplishments, community involvement, quality of management, and our commitment to cultivating a healthy work environment: <https://www.beyondtechnologies.com/who-we-are/#our-awards>
