

SAP BASIS CONSULTANT

Solutions Beyond Technologies is a professional services firm specializing in SAP solution integration and business process optimization. We are looking for a SAP Basis consultant to join our dynamic team.

You will be an expert resource in the SAP Basis solution within Beyond Technologies and our clients. You will be the person with whom stakeholders will be confident to work and collaborate with your ability to manage complex challenges by finding cost-effective solutions while demonstrating the added value of your expertise and solutions.

Your tasks:

- Work directly with customers and our internal delivery, infrastructure, architecture and product teams to deliver highly innovative SAP solutions
- Ensure the technical success of adoption, integration and introduction efforts in dynamic, high-intensity projects with high visibility
- Represent the critical path for technical delivery as an authority on the requirements and success criteria - both technical and functional - while collaborating with all levels of internal and external stakeholders
- Communicate the needs and expectations of the client to consultants and executives while having a solid understanding of the scope of the contract, deliverables, risks and restrictions, as well as business practices and architecture
- Hold multiple roles depending on audience and project phase or individual goals

You have:

- Minimum 5 years of experience with SAP Basis (implementation)
- Minimum 5 years of experience with SAP security and Fiori deployment
- Experience with SAP upgrades, migrations and installations in complex systems
- S / 4HANA experience an asset (HANA experience required)
- Strong understanding of LAN / WAN / SAN
- Comprehensive network understanding, including TCP / IP, Level 2 and 3, VLAN firewall, load balancers, security zones, traffic management, routing protocols, IPSecs , IPS / IDS, etc.
- Mandatory sizing experience
- Governance experience an asset
- Exceptional written and verbal communication skills, in both French and English

You are:

- Solution-oriented
- Authentic
- Diplomat
- Collaborative
- Creative, with innovative ideas
- Motivated and determined to succeed
- Autonomous with leadership

At Beyond, we want our employees to be happy and healthy both on and off the job. Everything we do and offer to our employees is based on our philosophy that investing in our people is good for all of us!

Beyond is dedicated and committed to promoting a diversified and inclusive work environment for everyone. Beyond Technologies is an equal opportunity employer and we believe in fostering an environment where everyone regardless of gender, race, ethnicity, sexual orientation, disability, age, or all other identities feels respected, protected and celebrated.
