

## SAP PMR (PROMOTION MANAGEMENT RETAIL) CONSULTANT

---

Beyond Technologies is a professional services firm, specializing in the integration of SAP solutions and the optimization of business processes. We are currently looking for a SAP PMR consultant to join our dynamic team.

You will be an expert in the SAP PMR solution within the Beyond Technologies support and continuous improvement team and our clients. You will be the person with whom stakeholders will be confident to work and collaborate with your ability to manage complex challenges by finding cost-effective solutions while demonstrating the added value of your expertise and our solutions.

---

### Your tasks:

- Facilitate continuous improvement projects and provide support of SAP PMR
- Perform detailed analysis of complex business process requirements and provide appropriate system solutions; identify, interpret, validate, and document customer requirements
- Map client business requirements, processes, and objectives; develops necessary product modifications to satisfy clients' needs
- Configuration and testing of PMR module
- Identify gaps, issues, and work around solutions
- Act as liaison with client for troubleshooting: investigate, analyse, and solve software problems
- Handle changes or emergency transports as needed for high priority issues
- Document functional designs, test cases and results
- Proactively identify and propose business process and/or system enhancements
- Act as a liaison between the business functions and the technical team
- Provide ad-hoc training and user support as required
- Work self-directed and independently; may act as subject matter mentor to more junior members

### You have:

- Minimum of 5 to 8 years of experience in continuous improvement projects as well as in support projects and configuring PMR module
- Knowledge of the main integration points with other SAP modules
- Ability to multitask and manage multiple deliverables and projects at the same time
- Experience in a Professional Services or Distribution company is an asset
- Excellent communication skills in French and English

### You are:

- Dynamic
- Resourceful
- Flexible
- Result-oriented
- Collaborative
- Motivated and determined to succeed
- Autonomous with leadership

At Beyond, we want our employees to be happy and healthy both on and off the job. Everything we do and offer to our employees is based on our philosophy that investing in our people is good for all of us!

Beyond is dedicated and committed to promoting a diversified and inclusive work environment for everyone. Beyond Technologies is an equal opportunity employer and we believe in fostering an environment where everyone regardless of gender, race, ethnicity, sexual orientation, disability, age, or all other identities feels respected, protected and celebrated.
