

## INTERNSHIP FINANCIAL ANALYST

---

Solutions Beyond Technologies is a professional services firm specializing in the integration of SAP solutions and the optimization of business processes. We are looking for an intern to join our dynamic team.

You have a strong interest in finance processes and ERP systems and would like to work in a dynamic professional environment supporting senior management. You have excellent organizational and communication skills. You are good at problem solving and are dynamic and resourceful.

---

### You will carry out these tasks in collaboration with the financial analysts:

#### Finance

- Participate in month-end activities for the revenue, expenses and balance sheet component
- Follow-up and analysis of clients in terms of invoicing, revenues and costs
- Profitability analysis of projects and identify anomalies
- Participate in the billing process with the various team members

#### ERP Finance System

- Support the Finance System expert in the challenges of the internal ERP
- Identify and implement improvements and optimization of financial operations
- Participate in the evolution of the company's new ERP system
- Participate in the implementation of the company's new BI reporting tool
- Ensure that the transactions affecting the ERP system are adequate and respect the pre-established rules

### You have:

- Bachelor's degree in Accounting completed
- Professional Accounting Certification in progress
- Interest in taking on a temporary mandate that counts towards your CPA certification
- Interest in ERP accounting systems
- Excellent oral and written communication skills
- Mastery of spoken and written French and English

### You are:

- Honest
- Rigorous
- Detailed oriented
- Passionate, motivated by the desire to succeed
- Autonomous
- Focused on customer service
- Solution-oriented

At Beyond, we want our employees to be happy and healthy both on and off the job. Everything we do and offer to our employees is based on our philosophy that investing in our people is good for all of us!

Beyond is dedicated and committed to promoting a diversified and inclusive work environment for everyone. Beyond Technologies is an equal opportunity employer and we believe in fostering an environment where everyone regardless of gender, race, ethnicity, sexual orientation, disability, age, or all other identities feels respected, protected and celebrated.
