- Prospect the market of medium-sized businesses in search of SAP sales opportunities
- Understand strategies, business objectives and client needs in order to propose services in line with these strategies, objectives and needs
- Build commercial offers and respond to RFPs while working in collaboration with the pre- sales team
- Organize discovery sessions and demonstrations with the pre-sales team
- Negotiate and conclude sales
- Write and finalize contracts with the support of the management team
- Support the delivery of sold services and monitor client satisfaction
- Participate in steering committees during the implementation of SAP solutions, as needed
- Maintain relationships with the SAP sales team

You have:

- Minimum of 10 years of experience in sales of professional services, projects and SAP solutions
- Proven sales history of meeting objectives and targets
- Ability to capitalize on existing relationships and knowledge in order to increase sales
- Strong understanding of business processes in both distribution and manufacturing sectors is an asset
- Ability to manage multiple mandates and deliverables at the same time
- Ability to work in a team environment and interact effectively with other members
- Exceptional verbal and written communication skills in English and French for Quebec only (**This is a requirement since in this role you will be dealing with customers, partners and/or our international subsidiaries requiring communication in English on a recurring basis both verbally and in writing*)

You are:

- Independent
- Passionate of the customer's success
- Persistent
- Results-oriented, and demonstrate a “can-do” attitude – adaptability, flexibility and resourcefulness
