

SENIOR SAP SD/MM CONSULTANT

Beyond Technologies is a professional services firm, specializing in the integration of SAP solutions and the optimization of business processes. We are currently looking for a Senior SAP SD/MM Functional Consultant to join our dynamic team.

You will be an expert in the SAP SD/MM solutions within Beyond Technologies and our clients. You will be the person with whom stakeholders will be confident to work and collaborate with your ability to manage complex challenges by finding cost-effective solutions while demonstrating the added value of your expertise and our solutions.

Your tasks:

- Participates in business and architecture planning sessions and anticipates future business and architecture changes and strategies
- Estimates, hypothesis, timeline, scope, definition of role & responsibilities
- Review and challenge functional specifications for accuracy and completeness
- Works with the Delivery Executive and/or Project Manager to communicate the business process strategy and vision; facilitates business process review meetings with the business stakeholders
- Defines release, deployment and roll-out strategies
- Identifies and communicates risks (business, application, technical) associated with component or application implementation at the business level, and enterprise level (working with Enterprise Architect)
- Handle changes or emergency transports as needed for high priority issues
- Proactively identify and propose business process and/or system enhancements
- Provide consulting services on both new implementations and existing support projects
- Act as a liaison between the business functions and the technical team
- Provide ad-hoc training and user support as required
- Work self-directed and independently; may act as subject matter mentor to more junior members

You have:

- Minimum of 10 years of experience in a full cycle implementation as well as in support projects and designing and configuring SD/MM modules
- Ability to multitask and manage multiple deliverables and projects at the same time
- Experience in a professional services or distribution company is an asset
- Understanding of accounting business processes and ability to understand business processes from a customer perspective
- Ability to work in a team environment, effectively interacting with others
- Must be results oriented, and demonstrate a “can-do” attitude – adaptability, flexibility and resourcefulness
- Exceptional verbal and written communication skills in English and French

You are:

- Solution-oriented
- Authentic
- Diplomat
- Collaborative
- Creative, with innovative ideas
- Motivated and determined to succeed
- Autonomous with leadership

At Beyond, we want our employees to be happy and healthy both on and off the job. Everything we do and offer to our employees is based on our philosophy that investing in our people is good for all of us! Beyond is dedicated and committed to promoting a diversified and inclusive work environment for everyone. Beyond Technologies is an equal opportunity employer and we believe in fostering an environment where everyone regardless of gender, race, ethnicity, sexual orientation, disability, age, or all other identities feels respected, protected and celebrated.

By providing us with your application, you agree that your documents may be retained in Beyond Technologies' databases for an indefinite period of time in accordance with our internal information retention policies.
