

FINANCIAL ANALYST

Beyond Technologies is a professional services firm, specializing in the integration of SAP solutions and the optimization of business processes. We are currently looking for a Financial Analyst to join our rapidly growing dynamic team. As part of our finance team, you will play a key role in customer profitability analysis, revenue recognition, billing, interco follow-up and balance sheet items.

You have experience in a dynamic professional environment supporting senior management. You have excellent organizational and communication skills. You are a problem solver and are dynamic and resourceful.

Your tasks:

- Responsible for month-end activities (income statement, balance sheet, entries, etc.)
- Participate in the preparation of financial reviews
- Prepare and monitor cash flow
- Follow up on overdue accounts receivable and unbilled revenues
- Track and analyze billing, revenues and costs by client and project
- Analyze project profitability and identify anomalies
- Participate in the billing process with the various team members
- Develop monitoring tools for various performance indicators
- Participate in the budget process
- Communicate with various internal and external stakeholders on a daily basis
- Identify and implement improvements and optimization of financial operations
- Conduct research for different situations encountered with various sources (programs, credits, taxes, social charges, etc.)

You have:

- Three to five years of experience in accounting
- Exceptional verbal and written communication skills in English and French (**This is a requirement since in this role you will be dealing with customers, partners and/or our international subsidiaries requiring communication in English on a recurring basis both verbally and in writing*)
- A CPA designation or in the process of obtaining one
- Excellent knowledge of ERP accounting systems and Excel
- Knowledge of France specificities (VAT, payroll, social charges, etc.), an asset

You are:

- Rigorous
- Authentic
- Detail-oriented
- Passionate, motivated by the desire to succeed
- Autonomous
- Focused on customer service
- Solution-oriented

At Beyond, we want our employees to be happy and healthy both on and off the job. Everything we do and offer to our employees is based on our philosophy that investing in our people is good for all of us!

Beyond is dedicated and committed to promoting a diversified and inclusive work environment for everyone. Beyond Technologies is an equal opportunity employer and we believe in fostering an environment where everyone regardless of gender, race, ethnicity, sexual orientation, disability, age, or all other identities feels respected, protected and celebrated.
