

## SENIOR ABAP DEVELOPER

---

Beyond Technologies is a professional services firm, specializing in the integration of SAP solutions and the optimization of business processes. We are currently looking for a Senior ABAP Developer to join our rapidly growing dynamic team.

You will be an expert resource in the SAP ABAP solution within Beyond Technologies and our customers. You will be the person that stakeholders will trust to work with and collaborate with because of your ability to manage complex challenges by finding cost-effective solutions while demonstrating the added value of your expertise and our solutions.

---

### Your tasks:

- Develop detailed plans and accurate estimates for completion of build, system testing and implementation phases of project
- Perform performance tuning to improve performance over multiple functions
- Engage other technical team members in the design, delivery, and deployment of solutions
- Ensure integration system activities including monitoring the technical architecture (particularly scalability, availability and archiving) meet all SLA's
- Manage operational support, performing work during change windows as well as providing on call support as required by the team
- Undertake performance tuning activities for SAP integration activities
- Mentor and coach junior developer resources
- Provide consulting services on new and existing initiatives

### You have:

- Minimum of 8 years of ABAP experience
- SAP Fiori development experience is required (1 year)
- Strong object orientation experience
- Gateway development
- HANA Exposure
- Strong analytical skills and ability to write technical specifications
- The following are considered strong assets: Retail industry experience, HCP or Java experience as well as the ability to write technical specifications
- Exceptional verbal and written communication skills in English and French

### You are:

- Dynamic
- Flexible
- Autonomous
- Results-oriented
- Driven, motivated with a hunger to succeed
- Solution-oriented

At Beyond, we want our employees to be happy and healthy both on and off the job. Everything we do and offer to our employees is based on our philosophy that investing in our people is good for all of us! Beyond is dedicated and committed to promoting a diversified and inclusive work environment for everyone. Beyond Technologies is an equal opportunity employer and we believe in fostering an environment where everyone regardless of gender, race, ethnicity, sexual orientation, disability, age, or all other identities feels respected, protected and celebrated.

By providing us with your application, you agree that your documents may be retained in Beyond Technologies' databases for an indefinite period of time in accordance with our internal information retention policies.
